

Candidate Nr. : C12PV22742
Date of Birth : 06-09-1979
Nationality : Poland

Introduction

Our candidate has experience as a telehandler operator and operating tower cranes on construction sites in Europe and the UK. He added the Dutch register TCVT W4-06 in order to operate tower cranes in the Netherlands. His broad experience as operator on several types of cranes combined with the experience as telehandler operator makes him an added value for each construction team. Our candidate has excellent knowledge of health and safety, is an excellent time keeper and works well as part of a team as well as on his own.
